What sets us apart from other dental meetings

2025 marks the 48th year of the Buffalo Niagara Dental Meeting.

For the past 47 years, a group of dedicated alumni volunteers from the University at Buffalo School of Dental Medicine have organized the BNDM. These volunteers, along with a committed alumni office staff, have continued to grow this meeting year after year. In 1977, the Buffalo Niagara Dental Meeting featured 4-6 speakers and had 40 exhibitors -- we now have over 25 speakers and close to 80 exhibitors. Each year over 400 dental students attend our meeting.

EXHIBIT SPACE SUBCONTRACTOR AGREEMENT

This agreement by and between the University at Buffalo Dental Alumni Association, with offices at 337 Squire Hall, Buffalo, NY 14214-8006, hereinafter called 'Sponsor' and the exhibitor who executed the Exhibit Space Application and Contract (page 3 below), hereinafter called 'Exhibitor'. Acceptance of the Exhibit Space Application and Contract by the Sponsor constitutes a contract effective the date of signature at the bottom of page 3.

WITNESSETH:

IN CONSIDERATION of the fees and covenants hereinafter expressed, the Sponsor hereby grants to the Exhibitor, and the Exhibitor hereby accepts, pursuant to the conditions hereinafter expressed, the right, privilege and permission to utilize the portion or portions of the Buffalo Convention Center exhibit space licensed to the Sponsor by the Buffalo Convention Center Management Corporation for the 48th Annual Buffalo Niagara Dental Meeting (Meeting) and described in the Configuration of Available Booths, by indicating such locations in the appropriate place set forth for such purpose in the Exhibit Space Application/Configuration.

1. Purpose. Exhibitor shall use contracted exhibit space for the sole and exclusive purpose of exhibiting and demonstrating products to participants of the Meeting, under the terms of this Agreement. Each Exhibitor is requested to make three booth selections in order of preference on the Exhibit Space Application. All assignments of space will be made by Sponsor's Commercial Exhibits Committee, and are subject to change at Sponsor's sole discretion.

2. Dates of Use. Use of the contracted exhibit space shall be as follows: Exhibit installation may take place Wednesday, Nov. 5, 2025, from 9:00 AM-5:00 PM. Exhibit times are from 5:30-7:30 PM, Wednesday, Nov. 5, 2025; 7:30 AM-5:30 PM, Thursday, Nov. 6, 2025; and 7:30 AM-1:30 PM, Friday, Nov. 7, 2025 and move-out must be completed by 5:00 PM, Friday, Nov. 7, 2025.

3. Cancellation. Space not fully paid by Oct. 1, 2025 may be forfeited and the Chairman of the Commercial Exhibits Committee will have the right to dispose of exhibit privileges and space without liability of any kind on his/her part. No refunds will be made on spaces cancelled after Oct. 1, 2025. Failure to appear at the event does not release the exhibitor from responsibility for payment of the full cost of the space rented. The Commercial Exhibits Committee, in its sole discretion, may offer the exhibitor who either cancels after Oct. 1, 2025, or fails to appear, an exhibit booth credit of one-half their 2025 payment towards the following year's meeting, if the exhibitor shall decide to attend. No exhibits will be allowed in the exhibition room until all payments have been made and all terms of the contract fulfilled. Booths may not be occupied or set up before final payment is received.

4. Relocation. If it becomes necessary to relocate an exhibitor for any reason prior to the Meeting, they will be contacted by telephone to discuss alternatives. If an exhibitor is disappointed with their booth location upon arrival, a minimal number of alternate spaces may be available. Relocation is sole discretion of the Exhibits Chair.

5. Character, Dimensions and Limitations of Exhibits. Each booth contains approximately 10' deep by 10' wide of exhibit space at the Buffalo Convention Center, as indicated on the Configuration of Available Booths. An 8' high background drape, a 32" high side drape, one **UN-DRAPED** table, 2 folding chairs, and a sign indicating the booth number are included. Additional furniture, carpeting, electrical service, etc., are available through the exposition service contractor. All curtains, flags, decorative material, etc., must conform to the requirements of the Fire Department and Board of Insurance Underwriters of Buffalo, NY and be approved by the Commercial Exhibits Committee as otherwise stated in this contract.

Exhibits must be constructed so as not to obstruct the general view of adjoining booths. Permission to display equipment taller than 8' must be obtained in writing from the Commercial Exhibits Committee, and exhibitor will be advised of which booth locations will meet their requirements. In the front half of the booth, no display material shall exceed a height of 4', without special permission. Exhibitors must confine their displays and materials within the dimensions of the booth assigned.

(a) Management has the right to relocate exhibitors to comparable spaces other than those specified by the exhibitor, if deemed advisable and in the best interests of the Meeting. Exhibitors will be notified promptly and given the option to cancel with full refund of all payments made in the event the relocation is unacceptable.

(b) The Commercial Exhibits Committee reserves the right to terminate Exhibitor's rights under this Contract for good cause, which includes, but is not limited to, Sponsor's right to decline, prohibit or close down any exhibit, or part of an exhibit, exhibitor, or proposed exhibit which, in its opinion, is not suitable to, or in keeping with, the character of the exhibition, is misleading or deceptive, and/or does not meet current, accepted ADA exhibiting standards or eligibility requirements. In the event Sponsor terminates this Agreement, as set forth in this section, or where Sponsor's license to use said exhibit space is terminated, then this Agreement shall be terminated. In this event, Sponsor shall refund payments made for the term of this Contract prevented or interrupted, and Exhibitor hereby expressly waives any claim for damages or compensation should this Contract be so terminated.

6. Circumstances Beyond Control. In the event of fire, strikes, the elements, or other unavoidable circumstances making the building and exhibit space unfit for use, Sponsor shall refund payments made for the term of this Contract prevented or interrupted, and Exhibitor hereby expressly waives any claim for damages or compensation should this Contract be so terminated.

7. No Liability. Sponsor shall not be held responsible for any damage, theft or disappearance of exhibitor materials. Sponsor shall not be responsible for loss due to fire, acts of God, strikes, lockouts, or work stoppages of any kind. Sponsor shall not be liable whatsoever for any actual, potential, or assumed loss of profits or revenues or for any collateral costs which may result from any loss or damage to any exhibitor materials which may make it impossible or impractical to exhibit same. Sponsor's maximum liability will not, in any case, exceed the payment made to Sponsor by Exhibitor under this Agreement.

8. Indemnification. Exhibitor agrees to indemnify, defend and hold harmless Sponsor, the City of Buffalo and the County of Erie for any damage to the Buffalo Convention Center or its furnishings and fixtures, in any part thereof, due to any act of the Exhibitor, its agents or employees, or by any person attending the Meeting, by reason of the use thereof by Exhibitor.

Non-exhibitors, not directly contracting for exhibit space with Sponsor under this Agreement, may not solicit, demonstrate or exhibit at the meeting in any form, including subletting, leasing, subcontracting, or by mutual agreement basis.

The Commercial Exhibits Committee reserves the right to remove, by security force, if necessary, anyone violating the above stipulation, so as to protect the rights of those exhibitors who have properly registered and paid for such rights.
